9. Rc. No.351/2016-B2, Dated.15.01.2017 of Commissioner of Sericulture.

****

ORDER:

The Andhra Pradesh (Regulation of Appointments to Public Services and Regularization of Staff Pattern and Pay Structure) Act, 1994 (Act 2 of 1994), was enacted to regulate appointments duly prohibiting irregular appointments in offices and establishments under the control of the State Government, local authorities, corporations owned or controlled by the State Government and other bodies established under a law made by the Legislature of the State, to rationalize the staffing pattern and the pay structure of employees therein and for matters connected therewith or incidental thereto.

2. In the government order second read above, the Government formulated a scheme for regularising the services of the persons appointed on Daily wage/NMR/consolidated pay/contingent worker on full time basis, who worked continuously for a minimum period of (5) years and are continuing on 25.11.1993, subject to fulfilment of certain conditions stipulated therein.

3. In the government order third read above, the Government formulated a scheme for regularising the services of part time contingent employees, who have completed a minimum period of (10) years of service as on 25.11.1993 and are continuing on that date, subject to fulfilment of certain conditions stipulated therein.

4. The conditions for regularisation prescribed in the government orders second and third read above, among others, include availability of a clear vacancy against the roster points meant for various social groups as per the Rule of Reservation, fulfilment of eligibility conditions prescribed in the service rules governing the post, etc.

5. A large number of employees have been regularized in various Government departments and other autonomous institutions as per the scheme of regularisation formulated in the Government Orders second and third read above.

6. The Government has since reviewed the implementation of the above scheme and has noticed that though the services of a large number of employees covered by the said GOs, who have fulfilled the conditions, were regularized in various government departments, still a considerable number of eligible employees could not get the benefit mainly due to non-availability of sufficient number of clear vacancies as per the required roster points, in their respective units of appointment.

7. The Government has taken a sympathetic view of the matter and has taken a policy decision to create requisite number of posts on supernumerary basis, in the departments and the autonomous institutions under the control of the State Government, for the benefit of all those employees who have fulfilled the eligibility conditions stipulated in government orders second and third read above but could not be regularized for want of a vacancy in the unit of appointment against the roster point meant for the social group. Accordingly, the Government has requested all the departments to furnish the details of eligible employees.

8. In the reference ninth read above, Commissioner of Sericulture, Andhra Pradesh, has furnished the details of seven hundred and twenty six (726) full time contingent employees who have completed 5 years of service as on 25.11.1993 and whose services have not been regularized for want of clear vacancies.

9. The Government after careful examination of the proposal furnished by the Commissioner of Sericulture, Andhra Pradesh in the reference ninth read above, hereby accord sanction for seven hundred and twenty six (726) posts in the category of Field Assistant (category 12 of Andhra Pradesh Last Grade Service Rules, 1992), in the time scale of Rs.13000-40270, in the Sericulture Department on supernumerary basis, for the benefit of the individuals mentioned in the annexure to this order.

10. The Government has also decided to authorize all the appointing authorities to regularize the services of the eligible persons within the units of appointment under their control against the supernumerary posts sanctioned in para nine above.

11. The CommissionerofSericulture,Andhra Pradesh, shall distribute the posts sanctioned in paragraph nine above among the units in which the persons mentioned in the annexure to this order are working and issue necessary instructions to the appointing authorities concerned to regularize the services of the persons mentioned in the annexure to this order and place them on probation with effect from the date of sanction of the supernumerary posts, duly verifying thoroughly about the fulfilment of eligibility criteria laid down in government orders second and third read above and the service rules applicable. The appointing authorities shall be personally responsible for any lapses or irregularities in implementation of these orders.

12. The posts created on supernumerary basis in para 9 above are exclusively meant for regularization of services of those eligible employees covered by the GOs second and third read above whose services have not been regularised for want of clear vacancies. The supernumerary posts so created, would be personal to the individuals holding the posts and the posts will get automatically abolished immediately after a regular vacancy arises in the category or on vacation of the post by the individuals due to promotion, appointment by transfer, death or retirement.

13. The Commissioner of Sericulture is requested to take further necessary action for regularization of such eligible employees and furnish the action taken report to the Finance Department.

14. Copy of this order is available on Internet and can be accessed at address http://www/ap.gov.in/goir.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
